Entrust Roaming Server

Core Commands

Service commands,

```
su - svradm
./entroamsrv.sh stop
./entroamsrv.sh start
```

Verify the service is running,

```
ps -ef | grep entrs
```

Check version by looking at **rslog**,

```
Entrust Authority(TM) Roaming Server 8.0 Patch 160556 Build 8.0.30.41 Date
Sep 30 2010
```

Configuration

The configuration is stored encrypted in %installdir%\psconfig
